For attention of Ms Sheath

Dear Sirs

Re: APP/25/00670 At Unit 21A and 21B, Park View Apartments, Station Road, Hayling Island, PO11 0FZ

Proposed Shop Front Signage to include externally illuminated fascia sign. 1No. Projecting sign internally illuminated, 2No. vinyl window signs, 7No. poster signs.

Thank you for consulting the Highway Authority on the above planning application. The Highway Authority wishes to make the following comments.

This application seeks approval for a 8.1m x 0.68m illuminated signage at Unit 21A and 21B of Park View Apartments on Station Road. In accordance with the guidance within the ILP GN01 'Guidance Notes for the reduction of obtrusive light', signage in an E3 suburban area with a sign face area of less than 10m² shall not emit a luminance greater than 600cd/m². As the applicant has stated that this signage shall only emit a luminance of 500cd/m², the Highway Authority have no concerns with this proposal.

Recommendations

These proposals have been considered and in review are not anticipated to result in a significant impact to the safety or operation of the local highway network. Therefore, the Highway Authority have no objection to the proposals subject to the following condition:

CONDITION

Director of Universal Services
Patrick Blogg

The approved signage shall not emit a luminance greater than 600cd/m² during non-daylight hours.

Reason: to prevent dazzling passersby

Yours faithfully,

Louis Aplin-Haynes
