Re MAJOR Development, Padnell Rd / Cherry tree Ave.
I am strongly objecting to the disgusting proposal for demolition of existing buildings to make way for 90 houses on this beautiful site.

We need air quality, MORE trees, LESS traffic, this site is home to so much wildlife, used daily by so many local residents to walk, enjoy peace & quiet, relax and BREATHE.

The roads are already too busy, the schools packed, Doctors / dentists appointments way too long. We moved from Portsmouth because of the poor air quality, noise pollution etc, We absolutely DO NOT need this proposal for 90 more homes and all that Comes with it.

If it goes ahead, it will be devastating for residents, wild life and visitors.

Six homes in the grounds of that beautiful building would be more than enough for a profit, but I guess it's pure greed behind this horrible proposal.
