

Bob Young
Havant Borough Council - Planning

15-07-2026

Dear Bob Young

**T&CP (Development Management Procedure) (England) Order 2015 & Planning
(Listed Buildings & Conservation Areas) Regulations 1990**

**1500+ dwellings - Land to the east of Denvilles, Havant, known as Southleigh
Application No. APP/26/00324**

Thank you for your letter of 2026-07-02 regarding the above application for planning permission.

We refer you to the following published advice which you may find helpful in determining the application: Historic Environment Good Practice Advice in Planning: 3 (2nd Edition): The Setting of Heritage Assets.

The applicant has identified beneficial impacts on the setting of Stoneleigh House arising from the management and enhancement of its parkland. Should your authority be minded to approve this application we would encourage you to ensure improvements and long term maintenance of the park are secured through submission of a parkland management plan, including appropriate timescales for submission and delivery of that plan. We think that plan should demonstrate how the relationship between Stoneleigh House and its park will be maintained and enhanced in perpetuity.

We also suggest that you seek the views of your specialist conservation and archaeological advisers, as relevant.

It is not necessary for us to be consulted on this application again, unless there are material changes to the proposals.

Yours sincerely

Rachel White
