Hi Jennie,

Yes that is correct. Brick 1 = Crest Old Croft Blend and Brick 2 = Crest Hampshire Orange which is what we had before we have just corrected a couple of garages to correspond with the homes they are associated with.

Yes the other materials remain the same.

Kind regards,

Rosie

Thanks Rosie,

Can I just confirm that Crest Old Croft Blend is Facing Brick Type 1 and Crest Hampshire Orange is Type 2? I think that's the only changes so I presume all the roof tiles, hanging tiles, and weatherboarding are as approved previously?

Kind regards,
