25<sup>th</sup> July 2026

Dear Mr Gargett  
Application No APP/26/00506  
Thank you for your letter of the 13<sup>th</sup> July

I am writing to support the application for the replanting of the tree T3

Unfortunately all three trees have grown out of proportion for the size of the gardens and all three really need replacing

They not only restrict our light but also the roots and branches of the tree

Also worrying to us is the likely damage and danger from the considerable amount of debris from such a large tree in a small space causing us unnecessary work and making the patio area very slippery

We are in our eighties this is getting dangerous and almost impossible for us to cope with the problem

We are aware the owner of number 2 would really like all three trees to be able to be replanted and whilst we would support this also would you please give consideration to the replanting of trees T1 and T3 or at the very least the tree T1 to be reduced in size to a much lower level to avoid the danger we have mentioned
