For attention of Ms Donophy

Dear Sirs

Re: APP/26/00447 At 19 Corhampton Crescent, Havant, PO9 3BX

Erection of front, side and rear extensions and subdivision of existing dwelling to provide 1No three bedroom dwelling (4 person occupancy) and 1No one bedroom dwelling (2 person occupancy)

Thank you for the consultation on the above application, the Highway Authority would like to make the following comments.

The Highway Authority would have no objections in principle to this proposal, but it would be requested that further information is provided before a formal recommendation can be made.

As a new access is proposed, the applicant is requested to provide a plan showing visibility splays in accordance with Technical Guidance Note 3 (TG3). The County Council requires site access visibility splays to be based on the values set out in the table at paragraph 3.7.1 of TG3. These values should be derived from the posted speed of the road undertaken in line with the requirements of TG3. Further information on HCC's visibility splay requirements can be found in TG3 - <https://documents.hants.gov.uk/transport/TG3TechnicalGuidanceNote-StoppingSightDistancesandVisibilitySplays.pdf>

The applicant should be made aware that subject to any planning permission that may be granted by the Local Planning Authority, a subsequent permission will need to be granted by HCC as Highways Authority to undertake the access

Director of Universal Services
Patrick Blogg

works on the highway. Details of this procedure can be found via the following link: <https://www.hants.gov.uk/transport/parking/droppedkerbs>

Parking is a matter for Havant Borough Council to consider, as the Local Planning Authority, in order to ensure that the proposed parking provision accords with its adopted standards.

Yours faithfully,

Thomas Willcox
