Re: APP/26/00188 At 32, New Lane , Havant, PO9 2NG

Site alterations comprising the installation of plant and associated works to facilitate Electric Vehicle charging infrastructure

Thank you for your consultation on the above planning application. The Highway Authority previously provided a no objection response dated 07 May 2026. Revised plans have been submitted however the substations remain in the same locations as previously proposed. Therefore, the previous comments of the Highway Authority remain valid.

I trust that the above is clear but please do not hesitate to contact Sophie Osborne on the above contact details should you require any further clarification.

Yours faithfully,

Sophie Osborne
