Hi Rob

Further to the consultee response from our Ecologist we confirm, mitigation provided as part of BNG will require monitoring and occasionally enforcement over a period of 30 years and appropriate charges to cover the council's costs will be sought. BNG monitoring fee indexed 1/4/26 is £3,617. Please convey to the customer.

If there is not a 'large' S106 agreement, this will need to be paid prior to Discharge of the relevant BNG conditions.

Kind regards

Mrs Louise Weaver
