

APP/26/00072 - 51 South Street, Havant, PO9 1BY - Heritage response

Hi Denise

I have viewed the documents in relation to this application, whereby the application site lies within the St Faiths Conservation Area. I confirm that I have no concerns with the works carried out regarding the replacement windows and therefore raise no objection to the application, which complies with s72 of the T&CPA 1990, along with the relevant sections of the NPPF and adopted Local Plan.

Kind regards

Rachael
