To whom it may concern,

Reference: APP/26/00154 - Erection of 111 dwellings at 154 London Road, Waterloooville, PO7 5SR

Thank you for consulting the County Council as Local Education Authority on the above planning application.

The proposed development consists of 105 eligible dwellings would usually be expected to generate a total of 32 additional primary age children and 23 additional secondary age pupils. This is based on a rounded figure of 0.3 primary age children per new dwelling and 0.21 secondary age children per dwelling which was derived by conducting demographic surveys of developments that have been completed within Hampshire and calculating the average number of primary age children on those developments.

The development site is served by Mill Hill Primary School and Crookhorn College. Mill Hill Primary School is forecast to have capacity. Crookhorn College is forecast to be full, it is not full from catchment therefore it can accommodate the yield from this development with some pushback applied.

If you have any queries concerning the above, or wish to discuss this matter, please do not hesitate to contact me via email at: strategicplanningunit@hants.gov.uk.

Yours faithfully,

Francesca Godden
On behalf of the Director of Children's Services
