

0m 500mm 1m 2.5m 5m

This is a black and white architectural elevation drawing of a house. The drawing shows a main house with a gabled roof and a smaller section to the left. The roof is labeled 'Slate Roof' with a line pointing to the roofline. The walls are labeled 'White Render' with a line pointing to the main wall. The house features a large chimney on the left, a central bay window with a small porch, and several other windows. The ground is indicated by a hatched line at the bottom.

A line drawing of a house with a chimney, multiple windows, and a gabled roof, set against a background of diagonal hatching. The house features a gabled roof with a chimney on the right side. There are several windows: a large square window on the left gable, a smaller square window on the roof slope, a square window on the right gable, a small square window on the main floor, and a large rectangular window with three panes on the main floor. A door with a small window is on the right. The house is set on a ground level indicated by diagonal hatching.

This architectural elevation drawing shows a two-story house with a slate facade and white UPVC windows. The house features a central gabled section with a chimney, a side extension with a door, and a rear extension with a conservatory. The drawing includes labels for 'Slate Facade' and 'White UPVC windows'.

An architectural line drawing of a house's exterior. The house features a chimney on the roof, a sunroom with arched windows on the left, and a gabled roof section on the right. The drawing is composed of black outlines on a white background, with a hatched area representing the ground at the base.
