Quote Summary

No. of Plots	Net Provision of Supply	Total Infrastructure (0% VAT)	Net Price	Total VAT	Total Price
2	£6,967.00	£43,200.00	£50,167.00	£1,373.80	£51,540.80

1. Payment including VAT, for the requested connection must be received in advance of any inspection being undertaken for that plot.
2. Only plots with passed inspections will be programmed for connection.
3. Payment of the Infrastructure charge can be deferred until the connection has been made by Portsmouth Water. Please confirm this in writing and provide a Purchase Order number.
4. This is not a VAT invoice. VAT will be applied at the rate applicable on the date payment is processed and a VAT invoice will be provided.
5. For more information on the VAT applied to each plot visit our website www.portsmouthwater.co.uk.
6. Please note: Ofwat have confirmed the ability to offer income offset for English water companies is removed from April 2025. Therefore, if this quote is accepted we will not provide an income offset for new connections made after 01 April 2025.

Payment: Payment to be made by BACS or Internet Banking to Lloyds Bank. As a reference, please quote Project ID:

7834_NSCARELAVD

Sort Code: 30-80-12

Account Number: 11385660

Please e-mail confirmation of payment to new.services@portsmouthwater.co.uk. The payment will not be processed until this information is received.
