For attention of Ms Donophy

Dear Sirs

Re: APP/26/00447 At 19 Corhampton Crescent, Havant, PO9 3BX

Erection of front, side and rear extensions and subdivision of existing dwelling to provide 1No three bedroom dwelling (4 person occupancy) and 1No one bedroom dwelling (2 person occupancy)

Thank you for the re-consultation on the above application, the amended documents have been reviewed, and the Highway Authority would like to make the following comments.

The applicant has now repositioned the parking bays further back from the access point, and now the required intervisibility splays will remain unobstructed.

The Highway Authority previously requested that vehicular visibility splays in accordance with TG3 guidance were to be submitted. However, after a review of the site, nature of the proposed development and low flow, low speed nature of Corhampton Crescent, the Highway Authority consider that suitable vehicular visibility could be achieved at this access arrangement. Furthermore, it is noted that visibility would be in excess of existing access arrangements along Corhampton Crescent. With this in mind, the Highway Authority are satisfied that no visibility splays need to be provided in this instance and raise no objection to the application.

Yours faithfully,

Director of Universal Services
