CAUTION: This email came from outside of the council - only open links and attachments that you're expecting.

Good morning Rob,

Thank you for your email.

I can confirm that we can agree to the proposed conditions for each application.

Regarding Cllr Horton's comment, the Street Hub is proposed adjacent to the parking bay, and is therefore set further back from the road than the adjacent trees. This ensures that good visibility is maintained for vehicles exiting Bordon Road.

Best wishes,

Louis Freeman | [redacted]
