Description of Proposed Works

Please describe the proposed works

Demolition of existing rear lean-to extension and outbuilding to be replaced by a single storey rear extension and a roof window.

Has the work already been started without consent?

☐ Yes

☒ No

Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

The current lean-to extension is of timber construction and in poor state of repair, the single glazed windows offer poor energy retention and basic locking mechanisms provide poor security. There is a brick built storage area and outside wc which is outdated and unused, this will be dismantled and allow for side pedestrian access.

Materials

Does the proposed development require any materials to be used externally?

☒ Yes

☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)

Type:

Walls

Existing materials and finishes:

The house brick dates pre WW2 and are handmade with a red finish. The current conservatory is of timber construction.

Proposed materials and finishes:

The proposed material will be of block and brick construction with the face work brick as close match as practicable to the existing house. The party wall coping will be stone.

Type:

Windows

Existing materials and finishes:

The windows in the conservatory are currently single glazed with a imitation lead diamond detailing encompassed into a timber frame painted dark brown. There is a double glazed window to the side which has imitation lead squares and is white on both the inside and outside.

Proposed materials and finishes:

The proposed side window will be replaced like for like. the rear window will be aluminium in quartz grey. The roof windows will be openable aluminium external frame in grey RAL 7043

Type:

Doors

Existing materials and finishes:

Single glazed timber door to conservatory.

Proposed materials and finishes:

The proposed will be an aluminium three panel sliding door in quartz grey

Type:

Boundary treatments (e.g. fences, walls)

Existing materials and finishes:

Timber gates and fence

Proposed materials and finishes:

A replacement timber gate and additional timber fencing where needed.

Type:

Roof

Existing materials and finishes:

The lean-to exertion has a polycarbonate roof and the main house has concrete tiles.

Proposed materials and finishes:

The proposed will be a red clay interlocking tile.

Biodiversity net gain

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

- ☐ Yes
- ☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
