For attention of Tim Furmidge

Dear Tim

Re: APP/26/00478 At 10 Langstone High Street, Havant, PO9 1RY

Re-thatching of the existing roof. Installation of a thatched ornamental block ridge. Construction of a thatched hood canopy over the rear entrance door. Clay tile cladding to the dormer cheeks (sides) of the existing rear dormer. Addition of a stem pot to the existing chimney stack. Full external redecoration of all previously painted surfaces. Full internal redecoration of all previously painted surfaces. General internal repairs and maintenance works as required. Associated repairs to roof timbers and other structural elements where necessary. Proposed greenhouse following the removal of the existing garden summer house.

Thank you for your reconsultation on the above planning application. The Highway Authority had previously raised that there were no highway implications as a result of the proposals. The revised information submitted does not alter these conclusions.

Having regard to the above, the Highway Authority are not required to comment on this planning application.

Yours faithfully,

Sophie Osborne
