Removal/variation of conditions
Notification of Decision: Approve with Conditions

Application Number: APP/26/00297

Site Address: 32 Fairlight Chalets, Salterns Lane, Hayling Island, PO11 9LQ

Proposal: Removal of Condition 1 of Planning Consent 13268/3 to allow for 12 month holiday use of Chalet number 32.

Further to your application received on 1 May 2026 which was valid from 21 May 2026, Havant Borough Council, as Local Planning Authority, **Approve with Conditions** the above proposal in accordance with the submitted plans and particulars as detailed below.

This permission is subject to compliance with:

- (i) The plans and other documents submitted with regard to your application; and
- (ii) The following conditions:

Conditions:

1	<p>The development must be begun not later than three years beginning with the date of this permission.</p> <p>Reason: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.</p>
2	<p>The development hereby permitted shall be carried out in accordance with the following approved plans:</p> <p>1:1250 Location and 1:500 Block Plan – Drawing Number P0</p> <p>Existing and Proposed Plans – Drawing Numbers P1, P2, P3 & P4</p> <p>Occupancy Calculator</p> <p>Nitrogen Budget</p>

	<p>Water Efficiency Calculator</p> <p>Reason: - To ensure provision of a satisfactory development.</p>
3	<p>The chalet shall be occupied for short-term holiday accommodation only, with maximum continuous stay of 30 days and no return within 14 days. The property shall not be used for an individual's sole or primary residence. The owner/operator of the chalet shall maintain an up-to-date register of the names of all occupiers of the site, and of their main home address, and shall make this information available at all reasonable times to the Local Planning Authority.</p> <p>Reason: To ensure the continued holiday use of the chalet to protect the tourist accommodation in the Borough, having regard to policies CS5 and DM3 of the Havant Borough Local Plan (Core Strategy) and the National Planning Policy Framework.</p>
4	<p>At all times following occupation of the development hereby approved, all measures necessary to meet the hereby approved water efficiency calculation shall be maintained so as to ensure that no more than 110 litres per person per day shall be consumed in the development in perpetuity.</p> <p>Reason: There is existing evidence of high levels of nitrogen and phosphorus in the water environment with evidence of eutrophication at some European designated nature conservation sites in the Solent catchment. The PUSH Integrated Water Management Strategy has identified that there is uncertainty as to whether new housing development can be accommodated without having a detrimental impact on the designated sites within the Solent. Further detail regarding this can be found in the appropriate assessment that was carried out regarding this planning application. In compliance with Regulation 63 of the Conservation of Habitats and Species Regulations 2017, the local planning authority has a duty to ensure that sufficient mitigation is provided against any impacts which might arise upon the designated sites. In coming to this decision, the Council has also had regard to Policy CS11 of the Havant Borough Local Plan (Core Strategy) 2011.</p>

Informatives:

1	<p>In accordance with Policy DM3 of the NPPF Havant Borough Council (HBC) takes a positive and proactive approach and works with applicants/agents on development proposals in a manner focused on solutions by:</p> <p>Offering a pre-application advice service, and</p> <p>Updating you of any issues that may arise in the processing of your application and where possible suggesting solutions, and,</p> <p>In this instance:</p>

PLEASE NOTE THE FOLLOWING IMPORTANT INFORMATION TO BE READ ALONGSIDE YOUR NOTIFICATION OF DECISION

1: APPEAL INFORMATION

NOTIFICATION TO BE SENT TO AN APPLICANT WHEN A LOCAL PLANNING AUTHORITY REFUSE PLANNING PERMISSION OR GRANT IT SUBJECT TO CONDITIONS

- These notes are for information only and do not purport to set out the law on the subject.
- Only the applicant possesses the right of appeal.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice and you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier.
- If this is a decision to refuse planning permission for a householder application and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse planning permission for a minor commercial application and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse express consent for the display of an advertisement and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.
- If this is a decision to refuse consent to work on a tree which is subject to a Tree Preservation Order and you want to appeal against your local planning authority's decision then you must do so within 28 days of the date of this notice.
- If this is a decision to refuse any other type of application and you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/appeal-householder-planning-decision-for-householder-applications>; <https://www.gov.uk/appeal-planning-decision-for-full-applications>; <https://www.gov.uk/planning-inspectorate> for anything else.

- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry, then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

2: BUILDING CONTROL

IMPORTANT NOTICE FOR APPLICANTS WITH REGARD TO BUILDING REGULATIONS

This notice only relates to the decision of Havant Borough Council under the Town and Country Planning Acts. It does not relate to any other application that may be required any other Act, Regulation, Byelaw or Order where the Council's approval may be needed.

For further guidance as the need for consent under the Building Regulations, please telephone Havant Borough Council's Building Control team on: 023 9244 6571

3: FURTHER INFORMATION FOR APPLICATIONS RELATING TO NEW VEHICULAR ACCESS/DROPPED KERBS

If your application includes a dropped kerb, please visit Hampshire County Council's guidance here: <https://www.hants.gov.uk/transport/parking/droppedkerbs>

This page provides essential information for residents, explaining that planning permission and dropped kerb consent are two separate requirements. While planning permission may be granted by the local planning authority, dropped kerb consent must still be obtained from Hampshire County Council, as they are responsible for managing access to the public highway.

It is particularly important to highlight that for applications involving classified roads (A, B, and C roads), applicants must provide evidence of planning permission as part of their dropped kerb application. This ensures that all necessary safety, traffic, and infrastructure considerations are properly addressed.

4: SOUTHERN GAS ADVISORY NOTE

In June 2021 SGN issued a comprehensive advisory note

There are a number of risks created by built over gas mains and services; these are:

Pipework loading - pipes are at risk from loads applied by the new structure and are more susceptible to interference damage.

Gas entry into buildings - pipework proximity increases risk of gas entry in buildings. Leaks arising from previous external pipework able to track directly into main building from unsealed entry.

Occupier safety - lack or no fire resistance of pipework, fittings, or meter installation. Means of escape could be impeded by an enclosed meter.

Please note therefore, if you plan to dig, or carry out building work to a property, site, or public highway within our gas network, you must:

1. Check your proposals against the information held at <https://www.linesearchbeforeudig.co.uk/> to assess any risk associated with your development and
2. Contact our Plant Protection team to let them know. Plant location enquiries must be made via email, but you can phone us with general plant protection queries. See our contact details below:

Phone: 0800 912 1722 / Email: plantlocation@sgn.co.uk

In the event of an overbuild on our gas network, the pipework must be altered, you may be temporarily disconnected, and your insurance may be invalidated.

Further information on safe digging practices can be found here:

Our free Damage Prevention e-Learning only takes 10-15 minutes to complete and highlights the importance of working safely near gas pipelines, giving clear guidance on what to do and who to contact before starting any work <https://www.sgn.co.uk/damage-prevention>

Further information can also be found here <https://www.sgn.co.uk/help-and-advice/digging-safely>

SGN personnel will contact you accordingly.
