Thank you for inviting comments on this reserved matters application.

Application for approval of all Reserved Matters (siting, scale, external appearance and landscaping) relating to Phase 6 (Forestry England Track Raising) of the Havant Thicket Reservoir development pursuant to condition 2 of the S73 consent planning reference APP/24/00312 dated 6th December 2024 and as amended by NMA approvals APP/25/00837 and APP/25/00859.

I note the supporting documents:

- Phase 6 FE Track red line boundary.
- Arboricultural and Silvicultural Appraisal and Tree Protection Statement, Phase 6 reserved matters – Forestry England track raising, dated 10/07/26 P01.

There do not appear to be any HCC Highways arboricultural assets impacted by this proposal.

No objections.

Kind regards.
