For attention of Mr Lakhan

Dear Sirs

Re: APP/26/00425 At Havant Thicket, adjacent to Sir George Staunton Country Park, Middle Park Way, Havant

Application for approval of all Reserved Matters (siting, scale, external appearance, and landscaping) relating to Phase 4 (Southern Access Road) of the Havant Thicket Reservoir development pursuant to Condition 2 of the S73 consent planning reference APP/24/00312 dated 6th December 2024.

Thank you for the opportunity to further comment on the above reserved matters planning application. The Highway Authority previously supplied comments on 29th July 2026, with no objections to the proposals, subject to the tree stumps being removed from the existing highways and the drainage matters being suitable addressed.

The Highways authority have reviewed the information submitted within the Reserved Matters submission relating to the Phase 4 (Southern access road) of the Havant Thicket Reservoir, which shows the tree stumps moved to outside the highway boundary, and drainage assets installed, resolving our previous concerns. The highway authority therefore have no further comments to make.

Yours faithfully,

Holly Drury
