APP/26/00481 9 Billett Avenue, Waterlooville, PO7 7SZ

Dear Denise,

APP/26/00481 | Garage conversion with 2 No. rooflights to each of the side roof slopes of the existing garage roof; alterations to the existing flat roof element to the front of the existing store; and alterations to the existing glazed doors to the frontage to include a 1.1m high glazed screen. | 9 Billett Avenue, Waterlooville, PO7 7SZ

Thank you for consulting me on this application. Having carried out my own non-exhaustive desk-based assessment using the application documents, online sources, and GIS mapping I am content that his proposal would be unlikely to result in ecological impacts. No further information is required.

If you have any queries, please don't hesitate to contact me.

Kind regards,

Tristan
