

Plot 6 111 Elm Grove

Hayling Island

Havant Borough

Ref APP/20/00015

Dear Sir

With Ref to the new development.

As mad, we have enough of those buildings on the island, which are not full, why do we need more

I have enough trouble getting out off our drive way now have to wait for a car, 60-70+ car to pass and this is at 630am in the morning

We don't need any more CAR PLACES on Hayling
Not on that site anyway the poor creature postmen
Postmen have enough to do now with all more

So please don't build it on 108-110.

Elm Grove it's not needed.
