Hi Rob,

I am well thank you, I hope you are too.

The front gable is original so should not be included.

We look forward to receiving the decision notice shortly.

Kind regards,

Good morning Rob,

I hope you had a great weekend.

Existing rear dormer = 4.78m^3

Proposed rear dormer = 23.22m^3

Proposed front dormers = $3.70\text{m}^3 \times 2 = 7.40\text{m}^3$

Kind regards,

Thea Travers-Ayre
