Dear Sirs

Re: APP/26/00662 At 12 Portsdown Hill Road, Havant, PO9 3JX

Construction of 2 x 4 Bed, Detached Houses with associated Services and Parking

Thank you for the consultation on the above application. The Highway Authority have reviewed the submission and would like to make the following comments.

As the application is for 5 or less dwellings, and there are no changes to the vehicular access onto the highway, no comments will be made on the internal layout of the site, and Hampshire County Council's standing advice applies.

The application also proposed to create a new pedestrian access onto Portsdown Hill Road, however no pedestrian visibility splays have been submitted. The Highway Authority therefore requires the applicant to provide a plan showing pedestrian visibility splays in accordance with Technical Guidance Note 3 (TG3). Further information on HCC's visibility splay requirements can be found in TG3 -
