

A hand-drawn diagram in blue ink. It features a large outer rectangle. Inside this rectangle, towards the top-left, is a smaller rectangle. Below the smaller rectangle, near the bottom edge of the large rectangle, is a circle. A horizontal line passes through the center of the circle. To the right of the circle, there is a small vertical line segment with a horizontal tick at the top, resembling a T-junction or a specific symbol. Below the circle, the words 'PARK CRESCENT' are written in capital letters, with a horizontal line passing through them. The entire diagram is drawn on a white background.

32a.

PARK CRESCENT.
